ATTENDED TRAININGS & WORKSHOPS & CONFERENCES

- 1. International Initiative for Promoting Political Economy (IIPPE)**, The Changing World Economy, and Today's Imperialism,

- 14th Annual IIPPE Conference 2024 in Political Economy, İstanbul Bilgi University, Santral Campus, September 4-7, 2024.
- The conference enhanced my view about the structure of Political Economy and decolonialistic perspective
2. **The Money Justice Collaborative**, Workshop Series: Money As A Force For Good, The USA, 18, 20 & 22 of December 2023.
-The workshop deepened my understanding of developing diverse monetary policies and their societal impacts
3. **Fourth Pluralumn* Workshop on "Pluralist economics beyond anything goes"**, University of Bamberg, 2/3 of October 2023.
-The pluralistic perspectives explored through diverse research and theories significantly broadened my understanding of pluralism
4. **Decolonized Narratives in Political Economy: Alternative Perspectives from the Global South**, Hamburg Institute for Advanced Study (HIAS), 28/29 of March 2023.
-This workshop helped me realise that the concept of decolonization extends beyond Global North and South in economics
5. **International Gathering of Rethinking Economics**, Chaussy- France, 27 of August/ 2 of September 2022.
-The gathering provided a valuable opportunity to connect with academics and students with similar experiences and to enrich my perspectives on pluralism
6. **10th PKES Summer School- Introduction to Post Keynesian Economics and Political Economy**, University of Greenwich, 8/11 June 2021.
-This summer school deepened my understanding of emerging areas in economics by encouraging me to rethink the discipline's theoretical foundations
7. **The Rethinking Economics Festival: Reform the Present; Reimagine the Future**, 22/26 July 2020.
-Despite the challenges posed by the COVID-19 pandemic, this event demonstrated to me that transcending borders is achievable not only in economics but also in life

MEMBERSHIPS & VOLUNTEERING
